

For Those Who Prefer "Blondes"

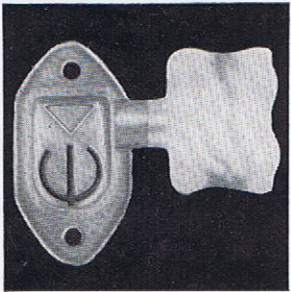

EPIPHONE presents 3 New Exquisite Instruments

See catalog for complete description of guitars illustrated in this brochure, as well as our Emperor "Natural" and DeLuxe "Natural" models.

And in addition to the above, the BROADWAY is now available in Natural finish. List\$200.00

EPIPHONE ENCLOSED TUNING UNIT . . .

Now standard equipment with EPIPHONE guitars . . .

At no increase in cost, all standard EPIPHONE guitar models, ranging from \$75 up, are now equipped with these new enclosed tuning units. When we consider that these "geared" pegs sell for \$12.00 in nickel plate and \$20.00 in gold plate, an estimate of the value offered becomes apparent.
